Belonging, Being and Becoming. Children are Effective Communicators

Book Week

The Australian Children's Book Council annual Book Week will be held from Saturday the 20th to Friday the 26th of August (Week 5). During this week we encourage all children to bring a favourite story to kindergarten to share with the group. The initiative, is in its 70th year, encourages children and their families to engage in sharing stories together as well as supporting Australian children's authors.
